Explanation of Why Contested Charge Is In Error

At the time of filing the above-identified application on September 29, 2003, Applicant claimed small entity status. A copy of Applicant's transmittal form and return postcard is enclosed.

On January 11, 2005, Applicant filed a Supplemental Response, which included our Check No. 84006695 for \$300 to cover to cost of filing three independent claims. A copy of the transmittal form and return postcard is enclosed.

On or about July 21, 2005, Applicant filed a Request for Continued Examination authorizing the Examiner to charge any fees associated therewith to our Deposit Account 502481. Our July 2005 monthly statement shows a proper charge of \$395 for the Request for Continued Examination fee (Fee Code 2801); but errors in charging \$600 for independent excess claims (Fee Code 1201) and \$150 for excess claims (Fee Code 1202).

With respect to the \$600 charge, Applicant claims small entity status and the additional independent claims were previously paid for on January 11, 2005. There should be no additional costs.

With respect to the \$150 charge, Applicant claims small entity status and the correct amount would be \$75.
